INNOVATION SOLUTIONS RESULTS

CORPORATE OVERVIEW

Innovative Consulting & Management Services, LLC (ICMS) is a minority owned SBA certified 8(a) small business that provides exceptional business and technical solutions and services for its government and commercial clients. Led by a team of seasoned business professionals in government support services, ICMS provides highly skilled and technical talent to meet its client's requirements and expectations. Whether it's the management of business operations to assist an agency in achieving its core mission, technical support services to help agencies navigate complex technology issues, designing strategies to support an agency's mission operations, or the need for professional and administrative personnel staff to support ongoing agency needs, ICMS can leverage its 25 years of government experience and business innovation to help agencies meet their mission goals.

INNOVATION

ICMS creates value in the federal market place by focusing on three key elements in its approach to providing first class services to its clients:

- **Customized adaptable solutions:** ICMS builds on its proven core capabilities by fine tuning solutions to adapt to the specific needs and requirements of its clients. No "cookie cutter" solutions
- **Client Centric Focus:** ICMS vigorously engages with its clients and maintains client intimate relationships which enhances its quality of services and reduces risk, turnover and transition time
- **Create Client Value:** ICMS strives to not only meet performance expectations but to exceed and become a "value added" service to our clients

SOLUTIONS: FACILITY OPERATIONS SERVICES

ICMS provides Facility Support services in following key areas:

- **Bundled Facility Services**
- **On-Site Facility Management**
- **Vendor Management**
- **Preventive, Predictive and Demand Maintenance**
- **CMMS/BAS/EMS Systems**
- **Trade Services**
- **Commissioning**

RESULTS

ICMS's Satisfied Customers and Clients

SUCCESS STORY

NOAA's National Climatic Data Center (NCDC) is responsible for preserving, monitoring, assessing, and providing public access to the Nation's treasure of climate and historical weather data and information. At the NCDC site in Asheville, NC, Innovative Consulting & Management Services, LLC provides critical operational support to the agency's facilities. The ICMS team has been recognized for providing exceptional service in maintaining NCDC's infrastructure to ensure the efficient operation of their mission requirements. ICMS is committed to providing tailored solutions to meet the agency's diverse technical requirements by providing a committed support team that are constantly adding value to agency operations.
